Moalawi v. City of New York, et al.
24-cv-05795

Hon. John G. Koeltl
United States District Court
500 Pearl Street
New York, NY 10007

Dear Judge:

I am a Pro Se plaintiff for the aforesaid case. I write to ask this court to extend the time I have to respond to the defendants' motion to dismiss. This is my second request for an extension of time.

The reason I ask for additional time is because I need the trial transcripts for the underlying criminal trial as exhibits to aid my response. I have been in contact with the court reporters who were the stenographers for the trial. My trial took place in 2017. Unfortunately, since that time the reporters either have passed away or are retired. Other reporters have to prepare the transcripts. They have agreed to do so but I will not have the transcripts for at least two to three weeks from now.

The transcripts of the trial proceedings are essential for my response. Some of the criminal trial records must be a part of the record for this federal case. Please grant me six additional weeks from July 7, 2025 to respond to the defense motion to dismiss. I will consent to the time the defense will request to file a reply.

Respectfully submitted,

Ali Moalawi
